The warmth of transitional styling enhanced with elegant details. Inlaid cherry veneer bordered by walnut banding and double beaded crown mouldings provide unique details. Executive nuances in bowfront worksurfaces and felt-lined box and center drawers provide an aire of distinction.

Tops are an Executive Cherry or Dark Cherry finish on matching inlaid veneers bordered by a walnut banding protected with a polyurethane top coat to resist scratches, marring and abrasion.

Constructed of hardwoods, wood materials and cherry veneers with walnut veneer inlays on mortise and tenon construction with wood cleats, glue, staples and screws. Solid wood, five-sided drawers constructed for strength feature 3-ply veneer bottom and dovetail joints. All drawers have full extension, metal ball-bearing slides to store heavy loads. Filing hardware is included for front-to-back or side-to-side legal hanging files.

All units feature adjustable levelers to compensate for uneven floors.
