6200 Series passive ergonomics and high-tech open architecture styling create an exceptional seating series for multi-user, high-performance task seating situations. The ability to personalize individual comfort zones (i.e. - seat glide and lumbar support controls) keeps fatigue at a minimum and productivity at a maximum, and perfectly defines your seating space needs. The HON® Limited Lifetime Warranty is your assurance of quality, value and dependability. Also additional fabrics have been added for the designer touch. Meets or exceeds ANSI/BIFMA and ISTA performance standards.

Comfort Controls

- Seat height.
- Integral lumbar support.
- Seat glide (arms can be adjusted to follow position of seat).
- Tension adjustment.
- Tilt and tilt lock.
- Swivel.
- All-adjustable arms: adjust in/out, up/down; armrests move backwards/forwards, pivot
